Given that Gary will be under your management at this point below , I would need to run this by you. Obviously his P and S work comes first!

Dear Ciara, please forgive this intrusion.

I am the Faith Development and Ethos Co-ordinator for Le Chéile Schools Trust. We are the Trustees of 62 secondary schools nationwide.

I would like to request Gary Carley to facilitate an event in April if Gary is available where he will provide training to teachers of RE in the le Chéile schools.

Gary has facilitated such a training workshop in the past and the reaction was very positive so I would be very keen to work with him again.

This event will be for approximately 100 teachers.

I look forward to hearing from you at your convenience.

Kind Regards

Dear Ciara,

I write to formally thank you for allowing Gary Carley to facilitate our training sessions for our RE teachers last year. Over 100 teachers attended and the feedback to Gary's sessions was exceptionally positive.

I hope it will be okay for Gary to again facilitate our training sessions this year as part of his Associate Role with PDST in October and November.

Kind Regards

Dear Ciara,

I hope you are well. I'm the Diocesan Advisor for Religious Education for the Diocese of Kerry. I was in touch last year as we had Gary Carley facilitate at an R.E. teacher's in-service. I wanted to request that Gary facilitate at another such in-service in February 2016. Would that be possible.

Kind regards,

Tomás

Hi Ciara, I hope your week is going well. Ciara I received the below email last week from the [REDACTED] asking if I could give an input at their Conference next year. I realise that their conference is a year way and the nature of of my job/position may not allow for forward planning that far in advance. I spoke to [REDACTED] and he asked me to forward the request to you. I also had a request from RTAI asking could I give an input on Teacher Wellbeing at their Conference on 11th March. Kind regards Suzanne
