Dear Charitable Registry Official,

It has come to the understanding of the Atheist Alliance Board (AAI) that our organization has a suspended status. We wish to rectify this immediately and again be able to conduct business as a non-profit organization registered in California.

In speaking with a representative of the Franchise Tax Board, she explained that we have two alternatives to remove the suspended status. One option was to immediately file our most recent RRF-1, and CT-TR-1 forms with your office. The other option was to "start from scratch" and supply you with a new Form 3500 with our current bylaws and original articles of incorporation.

Not knowing which would suffice, we elected to complete all forms and send them to you for review and acceptance. We are hoping that upon acceptance you will lift the suspended status and that in the future AAI will NEVER again be in such a position.

Cordially,

Dr. David I. Orenstein  
Board President
